

ODEL, Kisumu Campus conducted an orientation on October 14, 2017 for the new students joining in the September/October 2017 Intake for both Master in Project Planning and Management, Bachelor of Project Planning and Management and various Diploma programmes. Led by Dr. Stephen Okelo, the Coordinator, ODeL - Kisumu Campus, the students were taken through the program guidelines and school's expectations from the students, issuing of teaching timetables and registration. They were also assured of better administrative service delivery thus support their learning process, this was delivered by various service unit heads present during the orientation. The students also had a chance to visit various Campus facilities such as Library, Information and Communication Technology (ICT) laboratory and the Complex generally.
